Start is 8 yards before culvert.
 Mile 1 is 8 yards before the fence post marked with orange paint.
 Mile 2 is as shown.
 "Mile 3 is really about 20-25 yards after the turn." (Tom Buckley)
 "Mile 4 is just after the trail that connects up to the reservoir road.
 Just after the water cap, there is a rock that protrudes out on the right
 which is where I placed the paint mark. Since the paint mark is gone, I
 just placed it about 2-3 steps past the trail turn going down the hill."
 (Tom Buckley)
 Finish is 6' after the last Tamarak.
